Chapter Picnic

Aug. 13th at the Chapter hangar. 32 members and guests present. Perfect weather and a few planes flown in. Thanks Dwayne for organizing, ordering and the Root Beer Floats!

Business meeting: Aug. 28 @ Bear's Den, 10 members present.

1. Young Eagles: September 23rd at RST. We will employ the usual procedures for the tent, benches and chairs. Marketing will be via messaging through Peach Jar, Facebook etc. We may invite a media spokesperson to join us, maybe broadcast the event and maybe go for a flight. Volunteers and pilots will be recruited through Sign Up Genius, word of mouth, phone and e-mail.
2. The Chapter approved a motion for Dwayne Hora to explore and purchase the tables and coffee makers we have been renting for years for our pancake breakfast. We approved a maximum of \$2,500, which is the equivalent of one year's profit from the breakfast.
3. Election will be coming in the next few months. One or more positions will be available.
4. Wayne Trom confirmed an AOPA. presentation at the new KTOB hangar October 12th starting at 1900 (7:00pm).
5. The Ford Tri-Motor yielded nearly \$4,000 for the Civil Air Patrol
6. Jewel Ness's last fly-in was Aug. 27th. Poor weather; limited attendance. The hangar owners at Cherry Grove Field may elect to continue the event.
[General Aviation Trends in 12 Charts](#) – quite interesting....

Young Eagles Rally: We are a long way from having enough help at the Young Eagle Rally. Please click [here](#) to SIGN UP as a Young Eagle volunteer. This takes you to the Signup Genius web site. If you don't remember or don't have a user name and password you can create one. The "Youth Protection Program" is good for 3 years, so if you did it last year you are good for this year. We need lots more help on the ground! More information is available at:
